BOOK SYNOPSIS

Discipline with Dignity details an affirming approach to managing the classroom that promotes respect for self and others. This completely updated 3rd edition offers practical solutions that emphasize relationship building, curriculum relevance, and academic success. The emphasis is on preventing problems by helping students to understand each other, work well together, and develop responsibility for their own actions, but the authors also include intervention strategies for handling common and severe problems in dignified ways. Filled with real-life examples and authentic teacher-student dialogues, Discipline with Dignity is a comprehensive and flexible system of prevention and intervention tools that shows how educators at all levels can

- *Be fair without necessarily treating every student the same way.
- *Customize the classroom to reflect today's highly diverse and inclusive student population.
- *Seek students' help in creating values-based rules and appropriate consequences.
- *Use humor appropriately and effectively to respond to abusive language.
- *Fine-tune strategies to resolve issues with chronically misbehaving students and "ringleaders" or bullies.

This book is not simply a compendium of strategies for dealing with bad behavior. It is a guide to helping students see themselves in a different way, to changing the way they interact with the world. The strategies innate to this approach help students make informed choices to behave well. When they do, they become more attuned to learning and to understanding how to use what they learn to improve their lives and the lives of others--with dignity.

DISCIPLINE WITH DIGNITY - Are you looking for Ebook Discipline With Dignity? You will be glad to know that right now Discipline With Dignity is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Discipline With Dignity may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Discipline With Dignity and many other ebooks. We have made it easy for you to find a PDF Ebook without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Discipline With Dignity. To get started finding Discipline With Dignity, you are right to find our website which has a comprehensive collection of manuals listed.
