BOOK SYNOPSIS

Women were once taught that the way to a mans heart was through his stomach. In reality, fewer women cook, or really want to. Making reservations or ordering in has become one of the multi-minded abilities of todays more progressive woman. Therein is the problem. Men must learn to navigate their way around the kitchens, galleys and cucinas of the world. In fact, to every mans advantage, the women can be very generous to men who know a spoon from a spatula. All men need is some beautiful inspiration and a few words of simple instruction from Rocky Fino.
